

## INSTALLATION

1. Run the CDROM file titled 'setup.exe' and follow the onscreen instructions to install TacOps.
2. During installation you will be offered the choice to install or not install a folder titled 'TacOps Extras'. This folder contains additional game battle maps, printable copies of many battle maps, and collections of the TacOps Gazette (in Adobe Acrobat Reader PDF format) from 1997 until the present.
3. During installation you will be offered the choice to install or not install a folder titled 'TacOps Library'. This folder contains 20 military field manuals in Adobe Acrobat Reader PDF format.
4. After the installation of TacOps, optionally run the Adobe Acrobat Reader Installer if you do not already have Reader installed. This reader is required to read certain TacOps documentation files. The installer is located in the CDROM folder titled Acrobat Reader.

## QUICK START

1. It is strongly recommended that you start your use of the TacOps game by first reading the tutorial while playing the 'Basic Training' scenario. The tutorial can be found in 'Guide - User.pdf' or in 'Tutorial.pdf'.
